Teaching and scripture are vital parts of our growth as Christians and as a Church. With this in mind we've been trying to make our library of sermons and recordings easier to access, regardless of where you are and what equipment of you have access to.

We hope you find this information useful and we value your feedback on how we can make further improvements. We offer support where possible so get in touch by email to [office@hgbc.org.uk](mailto:office@hgbc.org.uk).
